Online Skylight Gallery Exhibition

Featured Artist: Nancy Newman – A Transparent Viewpoint

Watercolour provides the opportunity to express an artist's view of the world through glowing, transparent pigments. A mastery of watercolour is much like raising children. It involves understanding when to control and when to let the medium exercise its independence. With experience and some good luck, the result can be wonderful. View in-person at Aurora Town Hall in the Skylight Gallery. View online at aurora.ca/SkylightGallery. All artwork is for sale. Please contact Sarah Reynolds at sreynolds@aurora.ca if you are interested in investing and owning a beautiful artwork piece.
