

# How to become a Town of Aurora SWIM INSTRUCTOR OR LIFEGUARD

## Frequently Asked Questions

### Is 100% attendance mandatory?

Yes! The Lifesaving Society sets the hours required to learn the course material. Aquatic Leadership courses move quickly and some content is only covered once by instructors.

### My Bronze Cross qualification is expired. Can I still take the National Lifeguard course?

Yes! The Bronze Cross and Standard First Aid certifications do not need to be current.

### I'm close to the age requirement, can I still attend?

No! The age pre-requisite is set by the Lifesaving Society and must be followed. Candidates must provide proof they will be the required age by the last day of the course.

### AQUATIC LEADERSHIP PROGRAMS
