

INCLUSION SERVICES

The Town of Aurora welcomes and encourages residents of all abilities to have equitable and meaningful access to recreation opportunities. This is accomplished through specialized programming, individualized support options and accessible facilities for patrons with disabilities or unique needs. Service animals are welcome at all Town owned and operated facilities.

INTEGRATED OPPORTUNITIES

Participants require additional support if:

- They have extra support at school or at home;
- A physical, medical, or developmental/learning disability exists that affects the safety of others;
- Extra support is required at home for basic care such as dressing and toileting;
- The individual is currently associated with a support agency or program; or
- There are challenging behaviours to be managed.

Additional Support

Participants with disabilities and unique needs are encouraged to take part in year-round recreation programs that suit their interests and hobbies. If assistance is required outside of the typical staff to participant ratio, individuals have the following options:

• 1:1 Town Support Staff

Inclusion 1:1 support staff are available to facilitate participation in all Town of Aurora recreation programs. A support staff may provide redirection for safety reasons and allow opportunities for sensory or emotional breaks. Upon request, the Town of Aurora will do their best to arrange a 1:1 support staff for a participant based on availability and resources. In most cases, 1:1 support can be arranged, however, we ask families to provide at least two weeks notice prior to the start of a program to allow for adequate time to confirm a staff member.

• External Support Workers

The Town of Aurora welcomes external personal support workers into all our programs and drop-ins at no additional registration costs. An external support worker can include a parent, family member, or paid external staff member at the expense of the family.

ACTIVE START – SPECIAL OLYMPICS

Age: 2 to 7 years

Location: ACC

Active Start is a family-centered activity program for children with an intellectual or developmental disability. Through the program, children learn basic motor skills such as walking, running, jumping, balancing and throwing in a fun and safe environment. These skills provide support for everyday activities as well as a base for Special Olympics sports training and competition as athletes grow older.
