NOTICE TO AREA RESIDENTS

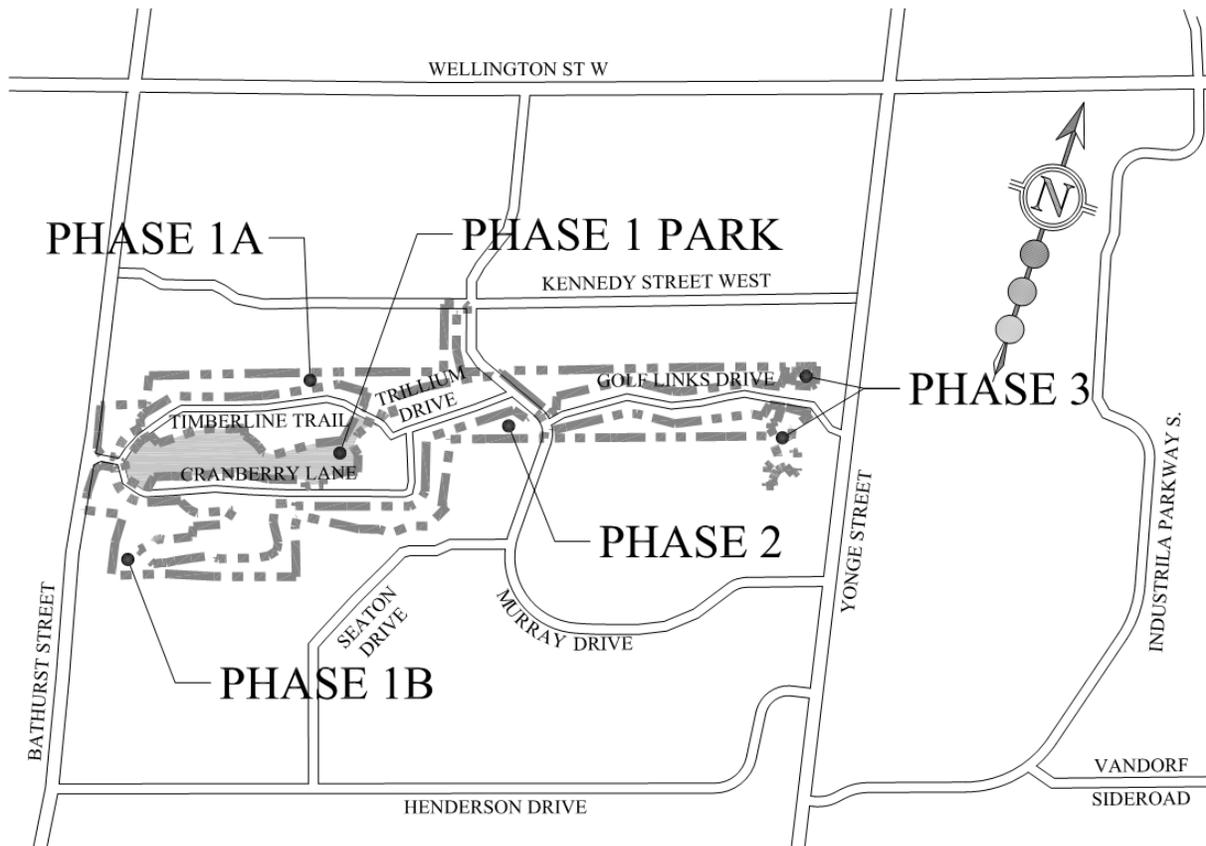

NOTICE OF TREE REMOVAL WORK (NT-1)

Dear Homeowner:

We wish to advise that work to remove select trees within the Phase 1 Park of Highland Gate will be commencing in March 2018, in accordance with the Vegetation Management Plan. The tree removals are required to facilitate the construction of the park. Additionally, hazard trees that have been identified by an arborist are also being removed

SCS Consulting Group Ltd. is the Consulting Engineer on this project and will provide the supervision and inspection of the Developer's contractor on the site. We are also available to address any questions you may have with respect to the construction.

Tree preservation fencing has been installed to protect the trees which are to remain, in accordance with the Vegetation Management Plan. Access to Highland Gate Development lands is strictly prohibited at all times for your safety.

We thank you in advance for your co-operation for the duration of this project. For questions or comments regarding Highland Gate Developments Inc. construction activities, please call the following number to receive a response within 24 hours:
