

PUBLIC OPEN HOUSE

The Town of Aurora will host a public open house to present and discuss the Draft Official Plan Amendment, the outcome of the on-going Official Plan Review. The Town's updated Official Plan will reflect the feedback received from the community after extensive public consultation over the last two years. The updated Official Plan will articulate a revised vision for Town planning over the next 30 years. The public open house will involve a presentation and drop-in format that allows for one-on-one discussions with the project team.
